This tour would not have been possible without the help of my mentor and Denver Medicinal Plant Society founder, Mr. Blake Burger. I'd also like to thank the entire Horticultural department at the Denver Botanic Gardens for their support and specifically Loddie Dolinski, Angie Andrade, Sonya Anderson, Kevin Williams, Nicholas Giaquinto, Larry Jackel, Mike Kintgen, Nick Daniel, Cindy Newlander, Tiffany Coleman, Holly Parrott, and Jen Toews for giving interviews and support to make this tour be what it is. I'd also like to thank my fellow interns and coworkers: Alyssa Adler, Ashley Paton, Emily M. Stine, Skylar Burg, Gina Sferrazza, Dan Auerbach, and Sophy Fitzcollins. Thanks guys!

-Kenna Castleberry, first Medicinal Plant Intern at Denver Botanic Gardens in summer of 2018
